

As of February 16, 2022:

The California mask mandate has been revised as of today. Masks are still required indoors for unvaccinated individuals. The lobbies at both branches are open for business and we ask that you comply with current mask requirements for the safety of your fellow members and our staff alike. We are here to serve you! You can reach us by phone, e-mail, or secure messaging in home-banking or you can drop by a branch during normal business hours.

ECFCU has many alternatives for those that are unable to come into a branch:

- Online & Mobile Banking-select "Online Access" from our website
- Mobile App-available for free from the App Store and Google Play
- Surcharge free Co-Op Network ATMs-locator available on our website
- Audio Teller-phone 619.579.0941 option 1
- Human Teller-phone 619.579.0941 option 2 during normal business hours
(Voice mail available after hours will be returned next business day)
- Night drop box available at El Cajon branch location

Thank you for your understanding!
